

Chocolate Stick Ice

A chocolate-covered ice cream on a stick is called a choc ice in British English and an ice cream bar in American English:

A choc ice is the British English term for a generic frozen dessert generally consisting of a rectangular block of ice cream — typically vanilla flavour — thinly coated with chocolate, and with or without a stick.

Giant Chocolate Covered Biscuit Sticks.

Term	Description
Choc ice	A frozen dessert consisting of a rectangular block of ice cream, typically vanilla, that's thinly coated with chocolate
